# COLOR CHOICE

Color matching is a science base of Italian high class design.

While IO Design is completely customizable, we feel that people needs a hint to avoid getting lost in millions of combinations. We studied a few combinations with a top interior design architect, to drive an initial color choice.

STRUCTURE	DRIVER FRAMES & CROSSOVER BOX	FINISHING	"Y" BASE + PILLAR	LINING	STITCHING COLOR	STITCHING TYPE	SCREWS	FEET
								
<b>STANDARD ANODIZED COLORS</b>
